

ESTÁDIO BEIRA-RIO - PORTO ALEGRE

00

2014 00000000

The Estádio Beira-Rio, or Estádio José Pinheiro Borda, as it is officially called, was built in 1969 and refurbished and extended in 2014. Seats, ramps and accesses are now protected by an innovative roof construction. The renovation work was carried out in several steps such that the stadium could be used even during that phase.

The Estádio Beira-Rio is the home of the Internacional Porto Alegre sports club that will continue to use the stadium also in the future.
