'TROX life' magazine is a free of charge publication for all TROX customers. It contains information about the latest products and services of TROX. The magazine is available in German, English and French. It is a great way to stay up to date with the latest news from TROX.

TROX has a long history of providing high quality air handling solutions. Our products are used in a wide range of applications, from residential buildings to large industrial plants. We are proud to be a leader in our field and we are committed to providing the best possible service to our customers. 90% of our products are made in Germany. TROX is a family-owned company and we are proud of our heritage.
